Message from the Cake Coordinator

Firstly I would like to say a big **THANK YOU** to everyone who has baked for the County Fair in the past. Thanks to you we are famous for our teas and they are one of the main attractions for the fell runners, their families and other visitors. I would like to explain our system. Some of us bake **40 - 50** cakes each. In order to produce these quantities we have to start early and bake in batches which are then frozen. On the day of the fair we try to use the cakes that have been frozen first, then use the fresh ones as these can be frozen later if not needed. We also put fresh cakes on the produce stall but we can make about *twice as much* by selling them by the slice with the teas. We never know how many visitors and runners there will be on the day and how hungry they will be. You can appreciate how difficult it is to estimate how many cakes will be needed! The committee certainly appreciates your baking efforts and we hope you will continue to keep the cakes coming. Don't forget to claim for your ingredients! By the way - *we have a freezer in the village hall* and spare tins if needed. Thank you, *Cynthia Gibson*.
