# The Record Breaking 2009 Fell Race and Country Fair

What a fantastic day! The event made over **£3000** towards the upkeep of the hall!

Many thanks to everyone who helped with the **preparations** – signs, the **race course**, the field, putting up tents, baking, publicity and everything else. Many thanks to everyone who made **donations** and **sponsored prizes**. Many thanks to all those who helped **on the day** – manning stalls, car parking, **giving first aid**, putting on displays, marshalling, time keeping, producing results, collecting flags and signs, taking photos, catering, cleaning, collecting money and everything else. Many thanks also to everyone who helped **clear up the course and field** after the event in record time.

## **Wanted: Assistant Fell Race Organisers and helpers**

Experience of fell running is not a necessity but good organisational skills are! We need help with organisation of prize giving and results and with trouble shooting. We still need to expand our current fantastic team and also start apprenticeships for the next generation. We need to spread the work load and the responsibilities across more shoulders to ensure the future of the race. If you would like to join the team or volunteer for a specific aspect please contact JohnDickinson

**347 Senior and 40 junior runners and competed the course this year! That's 150 more than last year! We had JUST enough cakes!**

One runner stopped transfixed in front of the cakes and said, " It's true, it really is the Manchester United of fell race teas!"
