# 2010 Fell Race and Country Fair

Despite the weather, the event made over **£2200** towards the upkeep of the hall!

Many thanks to everyone who helped with the **preparations** – signs, the **race courses**, the field, putting up tents, baking, making hampers, publicity and everything else. Many thanks to everyone who made **donations** and **sponsored prizes**. Many thanks to all those who helped **on the day** – manning stalls, car parking, putting on displays, marshalling, time keeping, producing results, collecting flags and signs, taking photos, catering, cleaning, collecting money, commentating and everything else. Many thanks also to everyone who helped **clear up the hall, course and field** after the event and on Sunday.

☺ To the many new residents of Hutton Roof - great to meet you and thank you for your help and support for our most important event of the year.

Many new faces competed in the fell race this year - many had already heard about the cakes! ☺

The Church raised £160 over the weekend with beautiful floral displays, the sale of home made preserves and plants and the Rainbow Service on the Sunday night.

Our event is dependent on the continuing success of the fell race – about 250 runners and their families came this year. In turn the fell race is very popular because of all the other attractions we provide – not least the cakes which really are famous!

## **Wanted: Assistant Fell Race Organisers and helpers**

Experience of fell running is not a necessity but good organisational skills are! We still need to expand our current fantastic team and also start apprenticeships for the next generation. We need to spread the work load and the responsibilities across more shoulders to ensure the future of the race. If you would like to join the team or volunteer for a specific aspect please contact John Dickinson (015242 71929).
